Seven Steps to Mastering Business Analysis

Barbara A. Carkenord, MBA, CBAP

"In **Seven Steps to Mastering Business Analysis**, Barb Carkenord has gone beyond what we discuss in the BABOK® to address the real challenges business analysts face in the workplace. I wish this book had been available years ago, but I'm glad that BAs have the opportunity to benefit from it today!"

—Kevin Brennan, CBAP, Vice President, Body of Knowledge,
International Institute of Business Analysis

This book provides a "how to" approach to mastering business analysis work. It will help build the skill sets of new analysts and all those currently doing analysis work, from project managers to project team members such as system analysts, product managers and business development professionals, to the experienced business analyst. It also covers the tasks and knowledge areas for the new 2008 v.2 of *The Guide to the Business Analysis Body of Knowledge* (BABOK) and will help prepare business analysts for the IIBA CBAP® certification exam.

About the Author

Barbara Carkenord, MBA, CBAP, is President of B2T Training, a firm that developed the first comprehensive business analysis training program in North America, which has served as a model for other training and educational organizations. She has over 25 years of business analysis experience and is a core team member of the IIBA BABOK creation committee.
