Advanced supply management from the experts...

Next Level Supply Management Excellence

Your Straight to the Bottom Line® Roadmap

Robert A. Rudzki & Robert J. Trent

"Next Level Supply Management Excellence is a terrific book. It applies equally to the CPO who wants to take their procurement organization to an even higher level, as well as the CPO who is just beginning a transformation process. It covers a broad range of topics with deep dives into leadership, talent, client relationships, and risk management. These are the MUST focus areas for ANY sustainable procurement transformation."

—Rick Hughes, Chief Purchasing Officer, The Procter & Gamble Company

"This book is a must read for anyone undergoing or trying to understand the strategic transformation process and potential payoff. It's a great complement to *Straight to the Bottom Line*®."

—John D. Smith, SVP, GM, Caesars Entertainment Corporation

In this sequel to the best-selling *Straight to the Bottom Line*®, the authors and their panel of distinguished contributing authors, who have led successful transformations across numerous industries, explore the critical success factors for leading successful supply management transformations. They share insights and practical advice for taking your company to the next level in procurement practices and performance.

About the Editors

Robert A. Rudzki is President of Greybeard Advisors LLC, a leading provider of procurement transformation, strategic sourcing and supply chain management services. Mr. Rudzki previously served as Senior Vice President for Bayer Corp and was a finalist for *Purchasing Magazine's* Medal of Excellence.

Dr. Robert J. Trent is the supply chain management program director, associate director of the Manufacturing Systems Engineering program, and George N. Beckwith professor of management at Lehigh University. He is a notable author and co-author of several books and of over 30 procurement and supply management articles.

STRAIGHT TO THE BOTTOM LINE®

An Executive's Roadmap to World Class Supply Management

By Robert A. Rudzki, Douglas Smock, Michael Katorke and Shelley Stewart Jr.

"Straight to the Bottom Line® is the definitive work on procurement/supply base management. Every CEO, CFO, CPO and their boards who are interested in increasing shareholder value need to read this and then make it required reading for their management and procurement teams."

— **Dick Conrad**, Senior VP, Global Operations Supply Chain, Hewlett-Packard

By following this book's straightforward principles, senior corporate executives can improve performance quarter-to-quarter and year-to-year. This guide also delineates best practices for procurement and supply chain professionals to help ensure success. A must read for anyone involved in supply management.
